## State/County License Prep Course

### &

## CODE Review

---

Please find below information in regards to the license preparation and code review course that will be offered this fall in Indianapolis.

### **5 WEEK LICENSE PREP AND CODE REVIEW ZOOM CLASSES:**

A review class to help prepare individuals to take and prepare for the Residential-Commercial Contractor's Licensing Test. These classes will prepare you for tests administered by ICC or Prometrics. States and communities require that any company performing air conditioning, heating, or HVACR type work, employ a licensee with the appropriate license.

This 5 week class will cover the following subjects;

- Pointers on test taking
- How to organize and tab test references
- In-depth practice sessions from test references
- Practice tests
- Duct Design
- Mechanical Code Review
- Refrigerant Piping Design
- Load Calculation Review
- Ductulator Use
- Fuel Gas Code Review
- Administrative Code and Mechanical Contractor's Regulation Review
- OSHA Regulation Review
- Psychometric Chart
- Boiler, Hot Water Heating Systems

Reference Materials will be required for class and can be reviewed @ <http://www.hvaclicense.com>

**Class Dates: Thursday Evenings Week of January 18<sup>th</sup> 2021.**

**Times: 6:00PM to 7:30PM**

**Location: In the comfort of your home**

**Registration and Payment Deadline January 15, 2021.**

**Previous Student Return Zoom Class Fee \$150.00**
